- VPL 03-14, Change 2, Expansion and Clarification of Homeless Definition as a Significant Barrier to Employment

**Background:** In April of 2014, DOL developed guidance to identify the veterans prioritized and emphasized by DVOP statute. As a result, DVOP specialists **must** limit their activities to providing services to eligible veterans and eligible spouses who:

- meet the definition of an individual with a Significant Barrier to Employment (SBE), or
- are members of a veteran population identified by the Secretary of Labor as eligible for DVOP services.

Per DOL guidance, the above groups were defined in State Instruction 13-05, and further clarified in Change 1 transmitted March 16, 2015.

**Policy:** DOL has recently issued guidance expanding the definition of homeless as a Significant Barrier to Employment to include domestic violence and other dangerous or life-threatening conditions. The definition of homeless as a SBE is updated to include paragraph (b) of Section 103 of the McKinney-Vento Homeless Assistance Act, which considers homeless to be any individual or family who is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions in the individual's or family's current housing situation, including where the health and safety of children are jeopardized, and who have no other residence and lack the resources or support networks to obtain other permanent housing.

The updated list of eligible veterans and eligible spouses defined as having a SBE is provided below. New language is in bold text. Updated statutory references also appear in bold.

1. A special disabled or disabled veteran, as those terms are defined in 38 U.S.C. § 4211(1) and (3); special disabled and disabled veterans are those who:
  - are entitled to compensation (or who, but for the receipt of military retired pay, would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or,
  - were discharged or released from active duty because of a service-connected disability;

The determination of disability under this SBE definition must be made solely on the basis of self-identification. Any individual who separated from active duty because of a service-connected disability qualifies as a disabled veteran regardless of the number of days of active duty served, as does any veteran with a disability rating provided by the Department of Veterans Affairs (VA) (or a military Service issued disability determination) as described in 38 U.S.C. § 4211(1). An individual who attests to having a disability claim pending with the VA should be considered to have an approved claim for the purposes of determining SBE.

*In requesting this information, all of the following requirements must be met: (1) any written questionnaire used for this purpose must make clear that the information requested is intended for use solely in connection with effort to give priority to persons with disabilities (if no written questionnaire is used, this information must be made clear orally); and (2) the staff member or person seeking the information must state clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant or participant to any adverse treatment, and that it will be used only in accordance with law.*

2. A homeless person, as defined in Sections 103(a) and (b) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302(a) and (b)), as amended;
3. A recently-separated service member, as defined in 38 U.S.C. § 4211(6), who has been unemployed for 27 or more weeks in the previous 12 months;
4. An offender, as defined by the Workforce Innovation and Opportunity Act (WIOA) Section 3 (38), who is currently incarcerated or who has been released from incarceration;
5. An individual lacking a high school diploma or equivalent certificate; or
6. A low-income individual as defined by WIOA Section 3(36).

There are no changes to the additional veteran population identified by the Secretary of Labor as eligible for DVOP services. Veterans aged 18 to 24 continue to be a priority category to receive intensive services from DVOP staff.

**Action:** Staff should ensure that intake procedures and referrals to DVOPs incorporate the modification to the SBE definition outlined above. The Veterans' Services Intake Form (see attached) has been reformatted and updated to reflect expansion and clarification of the homeless definition for DVOP services. Prior versions of this form should be discarded. All other procedures as outlined in State Instruction 13-05, Change 1 remain active. Please ensure that all appropriate staff receive and understand this State Instruction.
