Hampton County High School
115 Airport Road Varnville, SC 29944

You are invited to attend our 2026 Annual Career Fair. We need community leaders, local businesses, and/or organizations to attend and educate our students in Job Opportunities, Career Pathways, Internships, and Soft Skills to promote student success in our district.

We are connecting our community members, through sharing their expertise with our students. This creates a huge impact towards selecting professional opportunities and/or careers. Please join us by participating in Hampton High School Career Fair.

Thank you in advance for your support and continuous leadership!
