LCC RESOURCE EVENT

Launch Your High-Growth Career in Healthcare by attending

The Lowcountry Careers Collaborative (LCC) Resource Event is designed to provide vital support to both current participants and prospective individuals interested in joining the program.

The event will offer resources aimed at addressing the barriers that participants and job seekers often face, such as:

- **Child Care Information:** Guidance on finding affordable and reliable child care solutions to support working parents or those in training.
- **Transportation Support:** Options for improving access to training sites or job locations, helping participants overcome logistical challenges.
- **Resume and Interview Coaching:** Hands-on assistance to refine resumes and practice interview skills, making participants more confident and competitive in the job market.
- **Mock Interviews:** A chance to experience real-world interview scenarios with constructive feedback from industry professionals.
- **'Dress for Success' Attire Support:** Access to professional clothing for interviews and workplace needs to ensure participants present themselves confidently.

Other benefits of attending the Resource Event include:

- **Increased Job Readiness:** By addressing personal and professional challenges, participants can focus more effectively on advancing their careers.
- **Exposure to Program Opportunities:** Newcomers will gain insights into the types of support LCC offers and how it can align with their career goals.
- **Networking with Employers:** Even prospective participants will benefit from meeting potential employers or learning about future job
