 - Services provided through electronic means will supplement and not supplant those provided through the physical SC Works delivery system. The term “electronic” includes Web sites, social media, internet chat features, and telephone.

Services

SC Works centers provide services to customers based on individual needs, including the seamless delivery of multiple services to each customer. There is no required sequence of services. From the services listed in **Attachment A, WIOA Required Services**, an “X” indicates which services are directly provided by each partner program. **Attachment B, _____ SC Works Partner List**, includes all Local Workforce Development Area (LWDA) Parties participating in the agreement, their service location(s), and the program(s) they represent.

Career Services. Career services will be provided by all Parties in the SC Works Centers. Career Services include, but are not limited to, the following:

The South Carolina Department of Employment and Workforce (DEW) is a recipient of Reemployment Services and Eligibility Assessment (RESEA) grants that provide selected UI claimants reemployment services deemed necessary and beneficial in returning these individuals to gainful employment as quickly as possible. Claimants selected to participate in the RESEA program can receive up to three one-on-one reemployment assessments during their benefit year to help them return to work faster. RESEA staff advises claimants on the wide variety of reemployment services available to them and refers claimants to the services appropriate for their individual needs, including other SC Works partner programs. DEW staff agree to provide information and assistance with filing claims and connecting with reemployment services to claimants of UI programs. UI will share in the cost of the workforce system through the presence of RESEA staff in all comprehensive SC Works centers. DEW will make available UI-related training resources to assist all frontline SC Works staff in providing meaningful assistance with filing UI claims and correctly answering common claimant questions with ease and consistency.

Accessibility

The Parties agree that SC Works centers must comply with applicable physical accessibility requirements, as set forth in 29 CFR part 38, and the Americans with Disabilities Act of 1990 (ADA), as amended, to provide services to meet the needs of workers, youth, and individuals with barriers to employment, including individuals with disabilities. Access to services includes: accessing technology and materials available through the SC Works delivery system; providing reasonable accommodations for individuals with disabilities; making reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination against persons with disabilities; administering programs in the most integrated setting appropriate; communicating with persons with disabilities as effectively as with others; and the use of appropriate auxiliary aids and services, including assistive technology devices and services, where necessary, to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity. All SC Works centers must be physically and programmatically accessible to individuals with disabilities.

As such, the Parties agree to take reasonable steps to ensure meaningful access to each limited English proficient (LEP) individual served or encountered so that they are effectively informed of and able to participate in the services and programs provided. Reasonable steps may include, but are not limited to, an assessment of language assistance needs, providing oral interpretation, providing written translation of materials, and outreach to LEP communities.

Certification

The Parties agree to cooperate and participate in the achievement of Certification of the local SC Works System. LWDBs will use the State issued certification standards to assess and certify SC Works centers.

The criteria will evaluate the SC Works centers and SC Works delivery system for effectiveness, including customer satisfaction, physical and programmatic accessibility, and continuous improvement. Evaluations of effectiveness will include how well the SC Works center integrates available services for participants and businesses, meets the workforce development needs of participants and local employers, operates in a cost-efficient manner, coordinates services among the SC Works partner programs, and provides maximum access to partner program services even outside regular business hours. These evaluations will include criteria evaluating how well the centers and delivery systems take actions to comply with the disability-related regulations implementing WIOA. All Parties must work together to establish processes and services to achieve and maintain the required certification.

Center Operations

The Center Operator is responsible for the day-to-day operation of the identified facilities. The Center Operator will coordinate with Parties to ensure staff is scheduled appropriately within the Center, respond to questions of an operational nature, manage the facilities, coordinate the Sharing of Resources, coordinate staffing with all center partners to ensure customers are timely greeted and directed to appropriate SC Works center staff for assistance upon entering SC Works centers. The Operator will be the primary point of contact for SC Works Certification Standards and other related issues.

The Operator agrees that partner staff will have access to their assigned work areas during standard business hours during the work week and during extended work hours, including weekend hours, if necessary, as special projects, information technology maintenance, extraordinary circumstances or workload may require. The Operator agrees to timely notify, by email, all partner staff of center closings, including the Agreement Managers for all Parties listed in the Agreement Management section below.

Staff Management

Each partner must provide the direct supervision and control of their staff in matters such as selection and hiring decisions, personnel planning and evaluation, salary and benefits, and other matters directly pertaining to an employer-employee relationship. All Parties will facilitate cross training opportunities and cooperative staffing arrangements within the Centers, as appropriate.

All staff in the SC Works system is to behave in a manner that maintains a civil workplace environment, free of harassment and intimidation. Management must ensure that respectful behavior is exhibited at all times and address those who are not following ***Attachment D, SC Works Civility Policy***.

Dispute Resolution

All SC Works system staff must act in good faith to maintain a culture of inclusion, dignity, and understanding for all stakeholders in the workforce system. Disputes are to be addressed by facilitating clear communication and respectful interactions that lead to mutually acceptable solutions. For disputes that cannot be resolved informally, the following mediation/resolution process must be followed:

1. The authorized signatory official of the WIOA local grant recipient, or designee, and the executive director(s) of the partner(s), or designee(s), meet to mediate and resolve the situation.
2. Should these efforts fail, the situation must be referred to the chair of the LWDB who designates an ad hoc committee to mediate with the parties involved to resolve the situation.
3. Should local efforts fail and/or the situation reoccur, either party may send a written request to the State Workforce Development Board (SWDB) regarding mediation.
4. The SWDB Chair designates the Executive Committee or an ad hoc committee of at least five SWDB members to mediate with the parties involved and attempt to resolve the dispute.
5. The SWDB hears the dispute and provides a recommendation within 60 days.
6. The Parties are notified in writing of the SWDB recommendation within 20 days.

Modification and Assignment

This MOU may be modified at any time by written mutual agreement of the Parties. Oral modifications have no effect. Assignment of responsibilities under this MOU by any Party is effective upon written notice to the other Parties. If any provision of this agreement is found to be unenforceable for any reason, all remaining provisions remain in full force and effect.

Termination

Withdrawal from the MOU Agreement requires 90 calendar days written notice to the LWDB, who is then responsible for notifying all Parties. In accordance with WIOA, required partners are not permitted to withdraw from the agreement. Upon the withdrawal of a non-required partner, the associated future costs will be reallocated among the remaining Parties, and the agreement will be modified in writing, accordingly.

The Parties must cooperate with the SC Works Operator to coordinate delivery of services in the SC Works system. Parties will share joint responsibility for providing leadership in the design and delivery of shared processes or services offered by the Parties.

The LWDB and the Department of Employment and Workforce (DEW) will evaluate SC Works operations and system performance to recommend new policies and changes to current policy for the operation of the SC Works system.

SC Works Partner Meetings

The Parties will meet no less than once quarterly to develop, implement, and refine processes and documentation to achieve and maintain SC Works certification; to discuss operational and customer service issues; and to address other matters necessary for the success of the SC Works system. Meeting invitations are to be sent to all appropriate partner staff, including Agreement Managers. Standing and ad hoc committees may be formed to address on-going and special issues and to maximize the participation in the operation and certification of the SC Works centers.

System Integration and Referral

The Parties will promote system integration to the maximum extent feasible through the cross training of staff, use of common and/or linked information systems, and participation in a continuous improvement process designed to improve processes and increase outcomes and customer satisfaction. A key responsibility of each partner is effective referral of customers to the appropriate partner for services. This will be done in a manner that reduces duplication, promotes a “no wrong door” policy, and ensures tracking of referrals to build accountability. Please see **Attachment C** for referral process and forms.

All Parties agree to abide by all applicable Federal, State, and local laws and regulations governing the protection of personally identifiable information (PII) and other sensitive information, including but not limited to 20 CFR Part 603, 45 CFR § 205.50, 20 USC 1232g and 34 CFR 361.38, as well as any State and local laws. Each Party will execute and maintain confidentiality agreements with DEW and ensure that access to PII and other sensitive information is limited to authorized staff.

With respect to the use and disclosure of FERPA-protected customer education records and the PII contained therein, any such data sharing agreement must comply with all the requirements set forth in 20 U.S.C. 1232g and 34 CFR Part 99. With respect to the use and disclosure of personal information contained in Vocational Rehabilitation (VR) records, any such data sharing agreement must comply with all the requirements set forth in 34 CFR 361.38.

All Parties will implement appropriate administrative, technical, and physical safeguards to prevent the unauthorized access, use, and disclosure of PII and other sensitive information. All customer information will be shared only in accordance with approved confidentiality agreements and applicable laws. These confidentiality obligations will remain in effect for the duration of this agreement thereafter as required by law.

Grants Management

Each Partner must manage funds and activities under their control. Grant administration, including grant management, fiscal activities, evaluation and reporting, and overall coordination activities will be the responsibility of individual Parties.

Compliance

Each Partner must ensure that its activities are in compliance with their respective authorizing legislation and all regulations, policies, and procedures set forth by the Federal or state government.

Liability Insurance

Each partner must secure and maintain general tort liability insurance through an authorized carrier in at least the amount in South Carolina Code 15-78-120 of the South Carolina Tort Claims Act. Any Partner liability or any claims, damages, losses, or cost arising out of or related to acts performed by the Parties, or their agents, under this agreement shall be governed by the South Carolina Tort Claims Act 15-78-10, et seq. Each Partner and their staff are liable for its own acts and omissions; this agreement does not impute or transfer liability to the LWDB or any other party.

Severability

If any provision of this document is found to be invalid, the remainder will not be affected and will remain in force. Similarly, should any Party withdraw, modify, assign, or terminate its participation in this MOU, it remains binding and in full force and effect with the remaining Parties.

Assurances and Certifications:

The Parties will strictly adhere to all Federal, State, and Local laws that pertain to Employment and Training, including Minor Labor and Civil Rights Laws. It is expressly understood and agreed by the Parties that employees performing work within the SC Works system remain, at all times, employees of their respective Party.

The Parties will each comply with provisions of 41 U.S.C. § 702 in providing a drug-free workplace.

INFRASTRUCTURE FUNDING AGREEMENT (IFA)

The IFA establishes a plan to fund the services and operating costs of the ____ LWDA. The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain the ____ LWDA's high-standard SC Works delivery of services. Cost allocation among Parties will meet WIOA regulations, Federal Uniform Guidance, including each partner program's authorizing law and implementing regulations and state rules, policies, and guidelines. The IFA is based on projections only; The SC Works system costs and the Parties' resource contributions may need to be

adjusted from time to time to most accurately reflect actual costs and contributions. The IFA is a component of the MOU and will be negotiated and modified annually.

The _____ LWDA has the following SC Works Centers that are designed to provide a full range of assistance to jobseekers and employers:

_____ SC Works Center (Comprehensive)	
Operator Name	Phone
Address	Email Address
Operating Hours	Website

_____ SC Works Center (Affiliate)	
Operator Name	Phone

Partner Obligations

Changes to the list of financially contributing partners included in the IFA will result in changes to the allocations for the remaining partners. Therefore, any changes that would alter Party cost share contributions must be submitted to all Parties as a written addendum, including the revised staffing roster and revised budget, to ensure fiduciary responsibility. Failure to follow this standard may lead to disputes over the proportionate share amounts and may prevent payment of any amounts beyond those set in the original agreement.

Prior to committing to a contractual and/or financial obligation of any kind that would involve payment from the financially contributing partner(s), the Parties must consult with and obtain approval from the contributing partner(s). Each Party has their own procurement process and must ensure that quotes for services are solicited and evaluated according to the appropriate procurement process. Failure to follow this standard may lead to disputes over charges and may prevent payment.

The _____ LWDB/fiscal agent may not enter into a lease agreement to move offices that include partner staff without consulting the Parties contributing to the IFA prior to the execution of a lease agreement. Once all Parties have agreed in writing to their estimated/projected portion of the facility costs and that the space is acceptable for their program services, an addendum to this agreement reflecting the move and any related changes must be executed **prior to the move**. Routine costs incurred during the month of the relocation will be prorated by all Parties.

Infrastructure Costs

Each partner agrees to provide the resources necessary to fund their proportionate share of the costs as contained in **Attachment E, Shared Operating Budget**. The IFA should include, but is not limited to, the following infrastructure cost items:

- Lease/Rent
- Security System
- Utilities
- Janitorial/Maintenance
- Landscaping
- General Repair
- Pest control
- Depreciation
- Telephone
- Public access PCs
- Equipment Maintenance/Rental
- Supplies

Facility Costs. Those actual costs related to the facility use and operation of the SC Works centers. These costs include payment of utilities, lease/rent, and security. Facility costs will be the responsibility of those Parties who deliver services through the SC Works Centers in the _____ LWDA.

Maintenance Costs. Those incurred to keep the SC Works Centers in good condition. These costs include landscaping, janitorial/maintenance, general repairs, including HVAC maintenance, and pest control. Maintenance costs must be agreed upon by all Parties prior to the execution of work.

Facility hosts with capital improvement needs of any nature must address those needs independent of this agreement. Such repairs could be unresolved ADA modifications, roof repairs, HVAC replacement, etc. Capital improvement shall be the sole financial responsibility of the facility host. However, maintenance and repairs occurring from daily operations will be shared proportionately utilizing the agreed upon cost sharing methodology.

Supply Costs. Those related to performance of individual staff duties and those related to the items needed for public access (i.e. resource room) and common/shared spaces (i.e. restrooms) in each Center. Parties will purchase all staff supplies needed, including business cards, for their staff through the appropriate partner manager. The only shared supply costs will be those specifically related to public access and common/shared spaces as purchased by the Center Operator. These costs must be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs located in the Center in accordance with this agreement.

Equipment Costs. Those related to the use of rented equipment, such as Xerox machines, paper, and printer ink. Partner staff will be responsible for providing the necessary equipment for their staff and will share in the cost of public access equipment only, as provided by the LWDB and/or Operator, and used only by Center customers. These costs must be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs located in the Center in accordance with this agreement.

Center/Location	Number and Type of Public Access Equipment (<i>not including PCs</i>)

Access to Equipment. Partner staff will be granted access to all partner equipment in all SC Works facilities, including network closets. The partners agree that all Parties will be granted access to any other properties to verify ownership through the state property system. If equipment is found on the state property inventory list, the Parties agree to return the equipment for off-boarding, transfer, and return to ensure proper handling as required by IRS regulations property ownership and resolution of any depreciated value of the equipment.

Public Access Computers. The Parties agree to share in the cost of public access computers (i.e. necessary and reasonable in-scope costs of resource rooms and **shared** computer labs). The public access IT costs must be reconciled and invoiced to Parties quarterly and will be shared proportionately across all programs in accordance with this agreement. As part of reconciling IT costs, the Parties will be provided a copy of all current IT service provider contracts and/or work orders and any forthcoming modifications.

____ SC Works Center	Public Access PCs	Training Lab PCs	PCs used by Staff	*Total PCs
Number of PCs	#	#	#	#

Shared Network Access. In facilities with minimal partner staff presence, the Parties may request the County/COG/Operator provide IT services for their staff or through a VPN tunnel on behalf of the LWDB. A VPN tunnel allows for a “shared” internet connection to be divided into separately managed connections. This method maintains administrative control of partner connections and equipment without interfering with the County/COG/Operator’s own network management. Any requests for shared services or access of this type will be negotiated between the applicable entity’s IT service provider and the partner. Once agreement has been reached and/or a VPN connection is established and in use by partner staff, any changes in IT services affecting such connection are prohibited without prior notification to the affected partner.

Telephone. When a Party provide and maintain telephones (either VoIP or analog) for their staff, phone costs are not shared. In offices with minimal partner presence, or where the County/COG/Operator provide phone service, the COG/County/Operator may bill the applicable Parties for their proportionate share of monthly billing by the telephone service provider. In cases where a telephone cannot be provided or supported by either party, Parties may choose to provide or request alternate communication methods as needed on a case-by-case basis.

Additional Costs

The Parties may also share other costs that support the operations of the centers, as well as the costs of shared services that are authorized for and may be commonly provided through the SC Works partner programs. The Parties agree to cost share in the following additional shared services and estimated costs as listed below and in **Attachment E**. Final costs for all agreed upon additional shared services must be presented and approved by the Parties prior to actual purchase or procurement of services. Failure to do so may result in disputed charges and a refusal to submit payment.

Front Desk Addendum. The LWDB will seek agreement from all Parties to the **Front Desk Position Funding and Cost Allocation Addendum** if the Parties choose to cost share a front desk staff person in the comprehensive center.

Agreed upon Additional Shared Services Est. Cost	Description

Cost Allocation and Proportionate Share

WIOA establishes the expectation that Parties will share proportionately in the infrastructure and shared services cost of the SC Works system. Therefore, the Parties agree that costs will be shared based on the Full-time Equivalency (FTE) model. The Parties will allocate shared costs based on the number of staff a partner assigns to work in a facility weekly (i.e., enjoying the benefits of being in the building). Shared costs will be counted proportionately by day as defined below:

- **One Day - .20** (20% of a work week)
- **Two Days - .40** (40% of a work week)

- **Three Days - .60** (60% of a work week)
- **Four Days - .80** (80% of a work week)
- **Five Days - 1** (100% of a work week)

Staff assigned to work only “half-days” in a facility on a weekly basis will be counted proportionately as defined below:

- **One Day - .10** (half of 20% of a work week)
- **Two Days - .20** (half of 40% of a work week)
- **Three Days - .30** (half of 60% of a work week)
- **Four Days - .40** (half of 80% of a work week)
- **Five Days - .50** (half of 100% of a work week)

Affiliate locations where services are provided only monthly are not included in the proportionate share.

Staffing Roster. Staffing levels will determine the proportionate percentage of infrastructure and additional shared services costs that each Partner will be responsible for by location and program. Billing of each center’s costs will be based on the staff count as indicated in **Attachment F, Staffing Roster**. The roster must be completed and signed by all cost-sharing Parties with the execution of this MOU. Staff counts are based on planned staffing levels for the MOU cycle at the time of signature. Permanent adjustments to staffing levels (outside those of routinely occurring vacancies) will require the Staffing Roster and the effective date to be revised and signed by all Parties. Any Party may request a new staffing roster be executed at any time based on permanent staffing changes. The staffing roster will be submitted to the Parties with invoices and supporting documentation reflecting actual expenses for payment.

Deviations to Proportionate Share Formulas. Any deviations or adjustments made to the proportionate share formulas will be presented in writing and agreed to by all Parties in the form of an addendum to the original agreement.

Reconciliation of Shared Costs

For DEW-owned buildings. SCDEW is responsible for reconciling and invoicing facility costs to the _____ LWDA for the _____ SC Works Center(s) within 20 days after the quarter ends. All invoices must then be submitted to the Parties by the _____ COG/County, with invoices and supporting documentation, reflecting the actual quarterly expenses paid during the quarter, within 45 days after the quarter ends. Special reporting requirements may be instituted for the 4th quarter for the period ending June 30th, to ensure payment occurs within the correct fiscal year. Parties must remit payments to the COG/County within 45 days following the date the invoice is emailed to them. Any failure to submit payments by the deadlines set forth in this agreement will be subject to the dispute resolution process outlined above. Parties have 30 days from the receipt of the reconciliation to submit a dispute.

For buildings leased by the LWDA. The COG/County, in coordination with the Operator, is responsible for reconciling and invoicing respective Parties for costs under this agreement as it relates to the _____ SC Works Center(s). The _____, host for the _____ SC Works center(s), is responsible for reconciling and invoicing facility costs to the Parties. All invoices must be submitted to the Parties, with invoices and supporting documentation, reflecting the actual quarterly expenses paid during the quarter, within 45 days after the quarter ends. Special reporting requirements may be instituted for the 4th quarter for the

period ending June 30th, to ensure payment occurs within the correct fiscal year. Partners must remit payments to the COG within 45 days following the date the invoice is emailed to the Partner. Any failure to submit payments by the deadlines set forth in this agreement will be subject to the dispute resolution process outlined above. Parties have 30 days from the receipt of the reconciliation to submit a dispute.

For each invoice containing shared costs, the invoice will be supported by a standard Excel worksheet summarization of the charges detailing the vendor's name, the month of service covered, the total invoice amount, the shared cost portion of the invoice, and each Partner's allocated portion of those shared costs. The Partners will mutually agree on the worksheet to be used for this purpose, which will be provided to DEW and the COG/County. The worksheet will be submitted to the Parties in Excel file format with PDF copies of all vendor invoices and other documentation supporting charges listed in the worksheet. No cost-sharing invoices will be processed for payment unless they are supported by the worksheet, and no charges will be paid unless supported by the PDF of a vendor invoice/other documentation deemed sufficient by the Parties invoiced.

Duration

This MOU, including the IFA, will be reviewed and renewed in a three-year cycle in line with the SC Works Certification Standards to ensure transparency and continuous improvements to the delivery of services and to reflect any changes in the signatory official of the LWDB, SC Works Parties, and CEOs. The budget and staffing roster must be reviewed annually to ensure accuracy. The fiscal year is recognized as July 1 through June 30.

Loss of Funds

Infrastructure costs and any additional shared operating and/or services costs are contingent upon receipt of those funds by the partners. Any Parties may withdraw from this agreement if funding for the mandatory program is eliminated, or the Parties are no longer responsible for the program. Such withdrawal shall be effective upon written notification to the remaining Parties of the lack of funding.

Agreement Management

The Agreement Manager responsible for oversight and review of shared costs, as well as the monitoring of the allocation methodology and funding information for each partner is:

MOU ATTACHMENT D: SC WORKS CIVILITY POLICY

Regardless of role or position, all staff within the SC Works system is expected to behave in a manner that maintains a civil workplace environment, free of harassment and intimidation. Management bears a responsibility to ensure that respectful behaviors are exhibited at all times and to address those which are not. Indeed, management should exemplify the behavior expected of all staff in maintaining a positive and productive work culture.

Respectful workplace behaviors are those that promote positivity and professionalism including, but not limited to:

- Using respectful and courteous language in all interactions
- Questioning an individual's position on an issue politely and seeking to understand his/her position
- Giving an individual direct, non-personal feedback and where appropriate, in a private setting
- Not displaying a negative attitude, as well as understanding how one's attitude can affect the work environment
- Approaching conflict with maturity and a desire for resolution rather than an opportunity to disagree
- Respecting the chain of command and raising concerns to management at the appropriate time/place and with the appropriate tone
- Using discretion when communicating about issues that may be considered personal

Inappropriate or unacceptable workplace behaviors are statements or acts that may negatively impact the work environment including, but not limited to:

- Using profane, abusive, vulgar, or harassing language
- Berating or unnecessarily criticizing people in public
- Gossiping
- Deliberately embarrassing people
- Using e-mail or text messages as a shield for rudeness or to further any other inappropriate or unacceptable workplace behaviors
- Addressing people in an unprofessional manner or tone

All SC Works system staff and management have a responsibility to act in good faith towards maintaining a culture of inclusion, dignity, and understanding for all stakeholders in the workforce system. Disputes should be addressed using approaches that facilitate clear communication and respectful interactions that lead to mutually acceptable solutions. For disputes that cannot be resolved informally, the following mediation/resolution process shall be followed.

1. Should informal efforts fail, the authorized signatory official of the WIOA local grant recipient, or designee, and the executive director(s) of the partner(s), or designee(s), shall meet to mediate and resolve the situation.
2. Should these efforts fail, the situation shall be referred to the chair of the Local Workforce Development Board (LWDB) who shall designate an ad hoc committee to mediate with the parties involved to resolve the situation.
3. Should local efforts fail, and/or situations reoccur, either party may send a written request to the State Workforce Development Board (SWDB) regarding mediation.

4. The Chair will designate the Executive Committee or an ad hoc committee of at least five SWDB members to mediate with the parties involved and attempt to resolve the dispute.
5. The SWDB will hear the dispute and provide a recommendation within 60 days.
6. The parties will be notified in writing of the SWDB recommendation within 20 days.
